ESSAY THEME**

***“Concept of Masonic Renewal – What does it mean to you  
now and in the future?”***

*Yours thoughts in conveying about the concept of  
Masonic Renewal are needed by the Masonic Renewal  
Committee to reunite and re-generate our efforts to revitalize  
Freemasonry. The MRC Committee has in the past published  
the following resources to assist Lodges in their efforts to  
revitalize Masonry in their Lodges: **101+ Ways to Improve  
Interest and Attendance in Your Masonic Lodge; 150+ Ways  
to Involve Your Lodge with the Family and in the  
Community; Leadership Development Program and recently  
a Leaders Resource Handbook.** These publications are  
available and in use by Lodges today. Also, in the 1990’s, the  
Committee was instrumental in the collection of data about  
Masonry and the profane. This survey was very useful by  
Grand Lodges and Lodges to pinpoint and concentrate efforts  
to expand the knowledge of the profane about Freemasonry.*

**WHAT IS Masonic Renewal?**

The Masonic Renewal Committee (MRC) of Canada, the United States and Mexico is chartered by the Conference of Grand Masters of Masons in North America, Inc. Its purpose is to facilitate the innovative endeavors of Masonic Jurisdictions as they strive to move the Craft forward. To do this, the MRC draws on the expertise of a number of Past Grand Masters as well as representatives from the Northern and Southern Jurisdictions of the Scottish Rite and Shriners International. In addition, the MRC gathers information provided by a growing number of contacts from within various Masonic Jurisdictions. This way, the MRC is able to collect information from both the top down and grassroots sources of Masonic development. The reason why the MRC collects and organizes this information is so the innovative efforts of lodges, Grand Lodges, committees and so forth are able to be researched and viewed so other Masons do not waste time, energy and resources reinventing the wheel. In addition, it will serve as a means to give credit to those efforts and help inspire others to follow.
